An ethnic studies course will count also as social studies or humanities, if the course qualifies as such. Non-major curriculum **graduation** requirements that are not completed prior to enrollment in the School of Pharmacy must be completed prior to graduation. Please contact the School of Pharmacy Admissions office for Communication “B” specifics and guidelines.

NOTE: Credit by exam will be granted **only in accordance with UW-Madison policies**. If students have been granted credit by another college or university for College Board Advanced Placement (AP) exams, College Level Examination Program (CLEP) exams, or International Baccalaureate (IB) exams, it is imperative that they be aware of the UW-Madison credit policies. This applies also to retroactive foreign language credits. Students should **not** assume that these types of credits that may have been granted by another college or university will be accepted by UW-Madison.

** Non-native English speakers must complete the UW-Madison English as a Second Language Assessment Test (ESLAT). Transfer credit for English/Communications 223 will be awarded only if the student demonstrates the required level of English proficiency.
