For 2009-2010, the Program Review Working Group is charged to:

1. Finalize the BS and MS/PhD program review process by:
 - A. Making final editorial corrections and formatting changes to the approved program review documents.
 - B. Preparing an introduction section, as well as an executive summary.
 - C. Providing the final document to the External Review Team as early as possible prior to the Oct 12-13 site visit in both electronic form and hard copy.
 - D. Ensuring that all sections of the review document are posted on the SOP website in a similar manner as the PharmD accreditation documents.

2. Organize and participate in the site visit.
